

# 2011 ACC Leagues (Mondays & Tuesdays)

## *Rules of Engagement*

---

### Format

The ACC Leagues are a nine-hole point quota league, 2 players vs. 2 players.

Tee times will be scheduled between 4:00 p.m. and 5:45 p.m. every afternoon, and the league will alternate between the front nine and back nine every week.

It is the responsibility of league players to observe the scheduled starting times on a weekly basis within the allotted time frame. Please arrive at least 15 minutes prior to your scheduled start time.

---

### Scoring System

Each player is assigned a quota for the evening, which represents the player's 'goal'. The quota fluctuates according to prior week's play. On Week One, quotas are approximate.

Bogies are worth one (1) point; pars are worth two (2) points, birdies are worth three (3) points; and eagles are worth four (4) points.

At the end of the 9 holes, the total number of individual points is calculated and compared to the player's goal. Depending on how the numbers compare is what dictates the winner of the match. There is a possible four points (including bonus points) to be won each week.

---

### Substitutes

Each team consists of two-players on a weekly basis (2 vs.2). Teams may choose to have more than two players by electing alternates, but no more than two players play every week (four players per group).

Notification of any team's intention to utilize their eligible substitutes must be made no later than Saturday prior to the week of play. Only the four names provided on the original application will be eligible for play.

In the event a team only has one player, the competition may still be held, but an adjustment will be made to the point system.

No one player can be a substitute for multiple teams on the same evening.

---

### General

There will be frequent food and beverage 'specials' offered in the Tap In Grille. Players are encouraged to enjoy food and beverages after the completion of their nine hole round.

If the Golf Shop is closed when players return from playing, please slide scorecards underneath the Golf Shop door.

This is designed to be a fun, social experience, so please bring your sense of humor and your enjoyment for the game.
